Cozy up to Ferris Hills

Finger Lakes Opera to Visit Ferris Hills on Feb. 14

Please join us on Friday, Feb. 14, for a Valentine's Day Soirée featuring the Finger Lakes Opera. It's the premier professional opera company in our region, and we are thrilled to welcome its performers back to Ferris Hills.

The program will start at 1 p.m. and we would love to have you there. There's no need to RSVP. Simply show up and sip on a glass of wine while enjoying some of the finest voices around.

Where Will 2025 Take You?

When we welcome a new year, there are so many possibilities when it comes to new experiences, new knowledge, personal goals and more. Entering 2025, perspectives and priorities are as unique as our residents themselves!

Barbara MacCameron, for example, is determined to not get swept up in the news, to have a more plant-based diet, and to raise awareness of one-time plastic use. She enrolled in a course about resilience, has a goal to walk her dog at least three times daily, and is also making plans for an 80th birthday celebration.

Debbie Cinquegrana, meanwhile, is hoping to take a cruise up the coast of Maine with her husband, Gabe.

Pat Barden is looking forward to a Maine cruise, too. She and a fellow Ferris Hills resident booked an eight-day voyage. It will take them from Bangor to Portland, with a long tour of Acadia National Park. Pat describes it as “the ultimate close friends’ time together.”

If your plans for 2025 include learning more about Ferris Hills and discovering if it’s where you’re meant to be, we would love to give you a tour, introduce you to our staff and residents, or simply have you join us for one of our many events. To arrange a visit, give us a call at (585) 393-0410 today!
